

Frequently Asked Questions

How do I use the Program?

To gain access to our services, register online at CancerCAREprogram.com, or call us at 1-877-640-9610. **Once you are registered in our system, a nurse will be assigned to your case and they will help you for the rest of your cancer journey.**

Do I have to pay for CancerCARE?

The CancerCARE Program is an additional service included in the health plan offered by your company. **Registration and program features are covered by your health plan. Contact your HR representative for more information.**

What if I am already being treated for cancer?

You can join CancerCARE at any point during your treatment. Once registered, **we are able to collaborate with your local oncologist** and give them access to resources they may not have at their facility. We will also review your treatment plan to ensure everything is evidence-based quality care.

I don't have cancer, do I still need to register?

Registration is only required if you have been diagnosed with cancer. If you had cancer in the past and are now cancer-free, you can still register as a survivor and we will help you deal with any long-term issues and concerns. **Covered dependents can also register for CancerCARE.**
